recommend_gp_comment

Very quick and easy

"It's a convenient way of contacting surgery at home. "

I have had nothing but good support from all staff

"Haven't had a response to my request yet."

Easy to use

Always helpful

"I haven't had an experience today, I've just filled in a form. "

I submitted a request with Patches and within 20 minutes a doctor had called me back. The gp managed to boo

"It is very easy and straightforward to use, GP always responds quickly "

Always good

We have been associated with Belmont Medical Centre for the past 6 months when we moved to Uxbridge.

It's great and fast way to get in touch with the medical centre

Easy to use

Worked instantly.

Communication was clear

No issues and always helpful when needed

"I've always had a very good experience with the staff, there is one lady Dr who's great and the nursing care about people and their problems

Quick service

Good service

Always beyond the expectations

Easy to use

I managed to get an emergency appointment and the doctor was very helpful

"They eply through this web portal so you have to log in and check, While this is not a problem if yo want to r

Helpful

"It was not immediately clear whether to write the repeat medication name. Since the question was how ofte

Always feels like you are kept at a distance and avoid being seen in person

.....

Always respond timely

reply to their reply that is a challenge as I could not see anywhere to do this on my last use of this service "

in do you take, wrote the answer and clicked next which completed the request process without actually identif

ying the medication."
