26/10/2026	Neither good nor poor	I have had 7 doctors in 5 years (if memory serves). Some like Dr Shamra are excellent others have not met my expectation. Given the severity of my injury I collapsed at the entrance of Belmont. No one in the surgey helped. I was rushed to A&E. Warda (the name of a woman who called me after incident 14 October) said she would investigate. Have not heard a response since.
